OSRAM

LEDinspect PRO TORCH 800

Up to 450m beam See further thanks to LED technology and adjustable beam focus

Bright LED output 800 Lumen output to illuminate the dark effortlessly

5 light levels Extend the run time up to 12 hours with power saving modes plus emergency flash

Rechargeable Recharge quickly via USB-C cable (included)

Rugged, durable, and precise flashlight with 800 Lumen illumination

The OSRAM LEDinspect[™] PRO TORCH 800 is a powerful and durable LED torch, designed for professionals who require bright, reliable illumination in tough working conditions. Crafted from sturdy aluminium with a rubber grip handle, it ensures a comfortable hold, making it ideal for workshops, garages, and outdoor use.

Delivering an impressive 800 lumens on High, this torch uses advanced high-powered LED technology to provide superior brightness and efficiency. The zoom function allows seamless adjustment between a wide flood beam and a focused spotlight, ensuring precision lighting for any task. With five lighting modes – High, Mid, Low, Eco, and Flash – it adapts to various lighting needs, offering up to 24 hours of runtime in Eco mode for extended use.

Designed to withstand demanding environments, the IP44 rating provides protection against dust and water splashes. Powered by a 2200mAh Li-ion rechargeable battery, it offers up to 2.5 hours on High, 5 hours on Mid, 8 hours on Low, and a fast 3-4 hour charge time, ensuring minimal downtime.
