Product family datasheet

LEDriving SL PY21W

Ideal replacement for any vehicle

Suitable for various vehicle exterior applications Available in Amber

Replaces conventional PY21W lamps Easy upgrade to LED technology with plug & play solutions

Reliable OSRAM quality stands for less lamp replacements 4-year OSRAM guarantee (refer to www.osram.com/am-guarantee for precise conditions)

Suitable LED replacement for PY21W

LEDriving SL PY21W replacement lamps offer a modern and intense light. These replacement lamps are suitable for all conventional PY21W lamp bases. In comparison to standard lamps, these LED retrofit lamps use up to 80% less energy. OSRAM offers a 4 year guarantee for these LEDriving SL lamps. These products do not have ECE approval and must not be used on public roads in any exterior application. Public roads use leads to cancellation of operating license and loss of insurance coverage. Several countries forbid sale and use of these products. Please contact your local distributor for further information.
