#### 2-year OSRAM Guarantee

Systematic quality assurance measures underpin the premium workmanship and functionality of our products. Innovative technology and excellent quality really pay dividends for our customers.

# Light is versatile

This high-quality inspection light from OSRAM is perfect for professional and private use. With three light functions - high with up to 200lm, low with up to 80lm and torch function with up to 40lm - there is the right light output for the task at hand. The compact design combined with multiangle positioning -180° flex and 360° rotation- gives maximum flexibility and adjustability to give light exactly where needed. The integrated charge indicator shows the charging status of the rechargeable battery - up to 1,5 h operating time for high power or up to 3h for low power. This inspection light also contains magnets for hands-free work and easy attachment and is therefore ideal as a light for manual activities, car repairs and in everyday life. In addition, OSRAM grants a 2-year guarantee on this
